

Vlastislav Červený Student Prize 2024

Local Chapter EAGE Czech Republic announces the twelfth annual Vlastislav Červený Student Prize for best Master or Bachelor thesis in theoretical and applied geophysics.

This competition builds on the successful years 2012 - 2023, in which the prize money was awarded to the selected best geophysical MSc. and Bc. thesis. More about the history of the competition can be found at <http://www.eagelc.cz/>.

Organizer

The promoter and organizer of the event is the Local Chapter EAGE Czech Republic, Kubišova 1265/8, 182 00 Prague 8, Czech Republic.

Objectives

The organizers will award the author(s) of the best bachelor and diploma thesis in the field of theoretical or applied geophysics. Thesis must be defended within the period starting on October 5, 2023 and ending on October 10, 2024. The aim of the competition is to encourage application of scientific knowledge to real problems and innovativeness.

Time schedule of the event:

Event announcement:	January 2024
Last submission day:	Friday, October 11, 2024
Announcement of results:	Friday, January 10, 2025
Prize awards at Prague:	before January 31, 2025

Prize

The author of the best diploma thesis will obtain:

- 1,000 Euro or 25,000 CZK – the amount in Euro will correspond to 25,000 CZK in the exchange rate of January 10, 2025
- Membership in EAGE for year 2025,
- Voucher for EAGE online learning courses.

The author of the best bachelor thesis will obtain:

- 500 Euro or 12,000 CZK – the amount in Euro will correspond to 12,000 CZK in the exchange rate of January 10, 2025
- Membership in EAGE for year 2024,
- Voucher for EAGE online learning courses.

The winners will be awarded before January 31, 2025 in Prague (the exact date will be announced after the Announcement of the results). The final ceremony will include a presentation of the winning works either online or in person. The prize money will be paid to the winners in the form of a scholarship (wire transfer). The organizer will transfer the financial prizes no later than 28th February 2025. The winner may obtain financial support for traveling to Prague for presentation of their work in person.
