

ACTIVE AND PASSIVE SEISMICS IN LATERALLY INHOMOGENEOUS MEDIA III

**Nové Hrady Castle
Czech Republic
June 7 - June 11, 2027**

SECOND CIRCULAR

[The Local Chapter of EAGE Czech Republic](#), in cooperation with [the Department of Geophysics, Faculty of Mathematics and Physics, Charles University in Prague](#), [Seismik s.r.o.](#) and Moser Geophysical Services, announces the workshop "ACTIVE AND PASSIVE SEISMICS IN LATERALLY INHOMOGENEOUS MEDIA III" to be held at the [Nové Hrady Castle](#) in the Czech Republic.

See the First Circular for more details.

The workshop will take place immediately following the **EAGE 2027 Annual Conference & Exhibition in Amsterdam (31 May – 3 June 2027)**, facilitating participation for those attending both events.

LOCATION AND ACCOMMODATION

The workshop will be held at the [Nové Hradý Castle](#). The Castle is located about 180 km south of Prague. Accommodation will be provided mostly in single rooms with private bathrooms. All meals will be served at the Castle.

REGISTRATION

Those interested in participating in the workshop are kindly requested to fill in the [online registration form](#). The accommodation capacity of the Nové Hradý Castle is limited; therefore, early applications have a greater chance of being accepted.

CONFERENCE FEE

The fee for a participant will be **EUR 750** if received in full before 31 January 2027, and **EUR 850** thereafter. The fee includes the registration fee, full board and accommodation for four nights in the Castle (Monday dinner to Friday breakfast), social activities and conference materials. For an accompanying person, the same fee will apply. A limited number of partial grants to support student participation is available. Please contact the organisers. If there is sufficient interest, a programme for accompanying persons may be arranged.

The fee can be paid by bank transfer:

Account No.: 2103430213 / 2010

Account Name: EAGE Local Chapter Czech Republic z.s., Přístavní 531/24, Holešovice, 170 00 Praha 7, Czech Republic

Bank Name: Fio Banka, a.s.,

Bank Address: Na Florenci 2139/2, 110 00 Praha, Czech Republic

IBAN: CZ72 2010 0000 0021 0343 0213

BIC (SWIFT): FIOBCZPPXXX

Please enter 'APSLIM' and your name in the payment message.

Please **let us know by e-mail** (apslimworkshop@gmail.com) once you have made the bank transfer. This will help us to identify your payment.

The fee can also be paid online by credit card. Please follow this link to [pay the fee by credit card](#). (Please enter your name and e-mail address; the other fields may be left blank.)

Please **let us know by e-mail** (apslimworkshop@gmail.com) once you have made the online payment. This will help us to identify your payment. The payment gateway generates only a short confirmation of successful payment. The full receipt will be sent to you once the payment has been received, usually about two weeks after your payment. Thank you in advance for your patience.

The fee can also be paid in CZK; please contact the organisers for instructions.

Please note that **it will not be possible to pay the fee in cash upon arrival**.

FEE REFUND

If it is not possible to organise the workshop, the full fee will be refunded.

TRANSPORTATION

Bus transportation between Prague and the Nové Hrad Castle will be provided on Monday afternoon, 7 June 2027, and Friday morning, 11 June 2027. Detailed information will be available in the 3rd Circular.

PRESENTATION OF CONTRIBUTIONS

Oral and poster sessions will be organised. Contributed oral presentations will be 30 minutes long, comprising 20 minutes for the presentation followed by 10 minutes for discussion. In keeping with the APSLIM tradition, emphasis will be placed on discussion and exchange of ideas.

Oral and poster presentations should be given in English; no simultaneous translation will be provided. A PC and projector will be available.

ABSTRACTS

Participants are kindly asked to send a one- or two-page abstract of their contribution to the contact e-mail address given below. PDF or PostScript file format is preferred. The title should be centred and in bold capital letters. On the next line, give the authors' names, with the speaker's name underlined. A 10-point font is recommended. Once you have submitted an abstract, you may use it as submitted or update it as you wish. The deadline for abstract submission is **28 February 2027**.

PUBLICATION OF MATERIALS FROM THE WORKSHOP

Selected papers presented at the workshop are planned for publication in a Special Issue of an internationally established journal. We propose *Studia Geophysica et Geodaetica* as the journal. The final selection of the journal will be agreed during the Workshop. The review process will be the same as for regular papers, with each contribution reviewed by two reviewers. Papers requiring further modifications after the second round of review will not be included in the Special Issue. The deadline for submitting papers will also be agreed during the Workshop.

SOCIAL PROGRAMME

A tour of the Castle, a concert, a half-day excursion in the surroundings of the Castle (probably to the UNESCO World Heritage town of Český Krumlov), a barbecue garden party and other activities are planned.

ACCOMPANYING PERSONS PROGRAMME

If there is sufficient interest, we may organise a programme for accompanying persons. Please let us know if you are interested in such a programme. More details will be given in the 3rd Circular.

3RD CIRCULAR

The 3rd Circular will be issued by the end of April 2027.
